All of our goods are castered. Order by number always.

Give the style of finish wanted. Never say to send you the same as last, or say such a priced Bedstead, Bureau, Dresser, or Suite, but please give the number of the Bedsteads, Bureaus, Dressers, Stands, or Suite that you want; and in cheap goods, say what finish you want, as we finish them in Antique, Imitation Walnut, and Imitation Mahogany. If you neglect to mention the kind of finish wanted, it delays your orders, as we have to write to you to find out what you want.

Thanking our Patrons and the public for their former liberal patronage, we still solicit a continuance of your valued orders. We remain,

Yours Very Respectfully
